Please note the distinction between our privacy practices in connection with your visit to the Site, and our Terms of Service.

Information Collected and How It Is Collected

Voluntary Information: We may collect personal information you voluntarily provide to us including, but not limited to your name, e-mail address, postal address, phone number, mobile number and geographic location. You may provide this information when you request information, register, make a purchase or for other purposes. We may also collect demographic information such as gender, date of birth, occupation, employer name and zip code. In limited circumstances, we may collect payment information such as credit card number where needed to complete a requested service or transaction.

By requesting information to your mobile phone, we may obtain the following information from you in connection with our SMS service: your cell phone number, your carrier’s name and the date, time and content of your messages, as well as other information that you provide. We will use such information in accordance with this Privacy Policy.

Automatically Generated Information: We may also collect non-personally identifiable information that is generated automatically while you are visiting the Site or elsewhere on the Internet when our advertisements are served, also known as log files. This data includes, but is not limited to, information such as IP address, web pages visited before and after visiting the Site, date and time, domain type, type of mobile device you use, your device’s unique ID, web pages you view and links you click on within the Site and interactions with our advertisements delivered by us or advertisements delivered by a third party advertising technology vendor. This type of information may be collected using different types of technologies, such as cookies and pixels. An IP address, for example, is a unique identifier that certain electronic devices use to identify and communicate with each other on the Internet. When you visit the Site, we may view the IP address of the device you use to connect to the Internet. We use this information to determine the general physical location of the device and understand from what regions of the world the Site visitors come. We also may use your non-personally identifiable information to enhance the Site.

All Site users remain anonymous unless they choose to give us their personal information. You may elect not to allow us to collect and use this non-personally identifiable data as part of our Service by following the Opt Out procedures described below.

If you select ‘remember me’ on your computer when logging on to the Site, oVRview.com will set a persistent cookie to store your username and password so that you do not have to enter it more than once. It also allows us to send confirmations, receipts, updates, alerts and support and administrative messages and to otherwise facilitate your use of and our administration and operation of the Site. The persistent cookie also enables oVRview.com to track and target the interests of users to enhance the experience on the Site. The persistent cookie is removed when you uncheck the ‘remember me’ check box.

Note that if you reject or block cookies, it may affect your ability to enjoy the full functionality and experience of the Site.

Web Beacons: Pages of the Site [and our e-mails] may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit oVRview.com, for example, to count users who have visited those pages or opened an e-mail and for other related web site statistics (for example, recording the popularity of certain web site content and verifying system and server integrity).
